Speaker: Ms **Michelle Kenny** [Early Childhood Intervention Team Leader, Noah's Ark, Melbourne]

*Michelle is a speech pathologist with over 20 years' experience, working in both generalist and specialist positions. Her passion for supporting families of young children with a disability has led her to work within the Early Childhood Intervention sector for the last 18 years. Michelle is committed to seeing all children reach their fullest potential and participate meaningfully in all aspects of their family and community, including educational settings. Michelle's strengths include her ability to build and maintain strong and effective teams who are able to provide quality services to families and the community. She is motivated by interpreting and applying current research into practice.*

These talks are organised by Asia Community Service and supported by the National Early Childhood Intervention Council (NECIC). Please confirm your attendance with payment proof and submit names via fax 04-6593780 or whatsapp 012 4324230 or email [acspenang@gmail.com](mailto:acspenang@gmail.com)
