SKILLS WORKSHOP PACKAGES

Since 2000, the ACS Stepping Stone Centre, located in the countryside of Penang Island has been providing a cottage industry workplace for members with special needs, in particular reference to people with intellectual disabilities.

These individuals are involved in creating various eco-friendly artisan products such as soap making, paper making, hand weaving, pottery, batik painting etc..

Many who joined as apprentice have today, become skilled workers. Some have progressed to be in-house trainers.

But ALL of them with their special hands are ready to share their skills with you.... Come, experience and enjoy working with them.
